The Laryngoscope is a peer-reviewed journal published by Wiley. It is the official journal of the American Laryngological Association and the American Broncho-Esophagological Association. The journal features original research articles, reviews, and case reports in the field of laryngology and related disciplines. It covers topics such as laryngeal cancer, voice disorders, and otolaryngological surgery. The journal is indexed in multiple databases and is available online, providing access to the latest scientific literature in the field.
